DISCLAIMERS:

You were previously granted login information that allowed access to the private online database of available Egg Donors on www.egghelpers.com.

Upon completing your review, it will be your responsibility to communicate to Egg Helpers the Egg Donors that you have a serious interest in.

To make a final Egg Donor selection, you will be required to complete Egg Helpers’ Egg Donation Consulting Agreement and complete the terms therein to reserve the Egg Donor of your choice.

In an effort to be fair to all the Intended Parent(s) that are working with Egg Helpers, we have implemented a fair and equitable method of a “first come, first served” basis. We invite you to take your time reviewing the Egg Donor profiles, however, we cannot guarantee the availability of any Egg Donor. Nothing is more heartbreaking than when Intended Parents(s) get their heart set on a particular donor

and hesitate to move forward only to find out that the Egg Donor has since been reserved by other Intended Parent(s).

Login information issued by Egg Helpers combined with the user’s identification, serves as and constitutes the signature of the person using such login information. Any login information issued by Egg Helpers may only be used by the person to whom it is assigned. The use of the login information to submit any document creates an electronic record that operates and serves as the signature of the person to whom the login information is assigned for all purposes, except as prohibited by law. Unless otherwise provided by law, an electronic signature shall have the same force and effect as a written signature. If there is any reason to suspect your login information has been compromised in any way, it is the duty and responsibility of the owner of the login information to immediately notify Egg Helpers. Egg Helpers will immediately delete that login information from its system and issue new login information.
